

# Parents of babies, toddlers, preschoolers

## Take this true-false quiz—

- Strained pea stains can easily be removed from shirt fronts.
- Taking your toddler shopping-after she's missed her nap- is more fun than a root canal.
- Toilet training an elephant would be more difficult than training your child.
- Your five year old's new toy will remain unbroken for at least an hour.
- When, for the third time, you awaken to the sound of crying in the middle of the night, it's your spouse-not your baby.

For answers to these, and your real questions about parenting young children-
